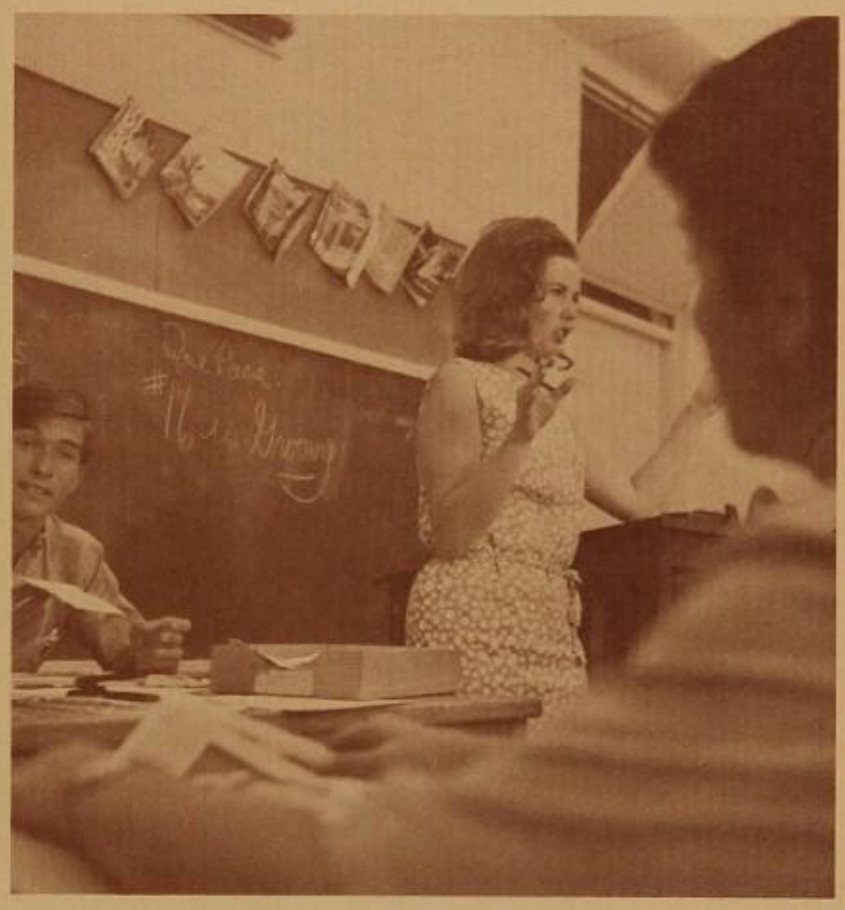
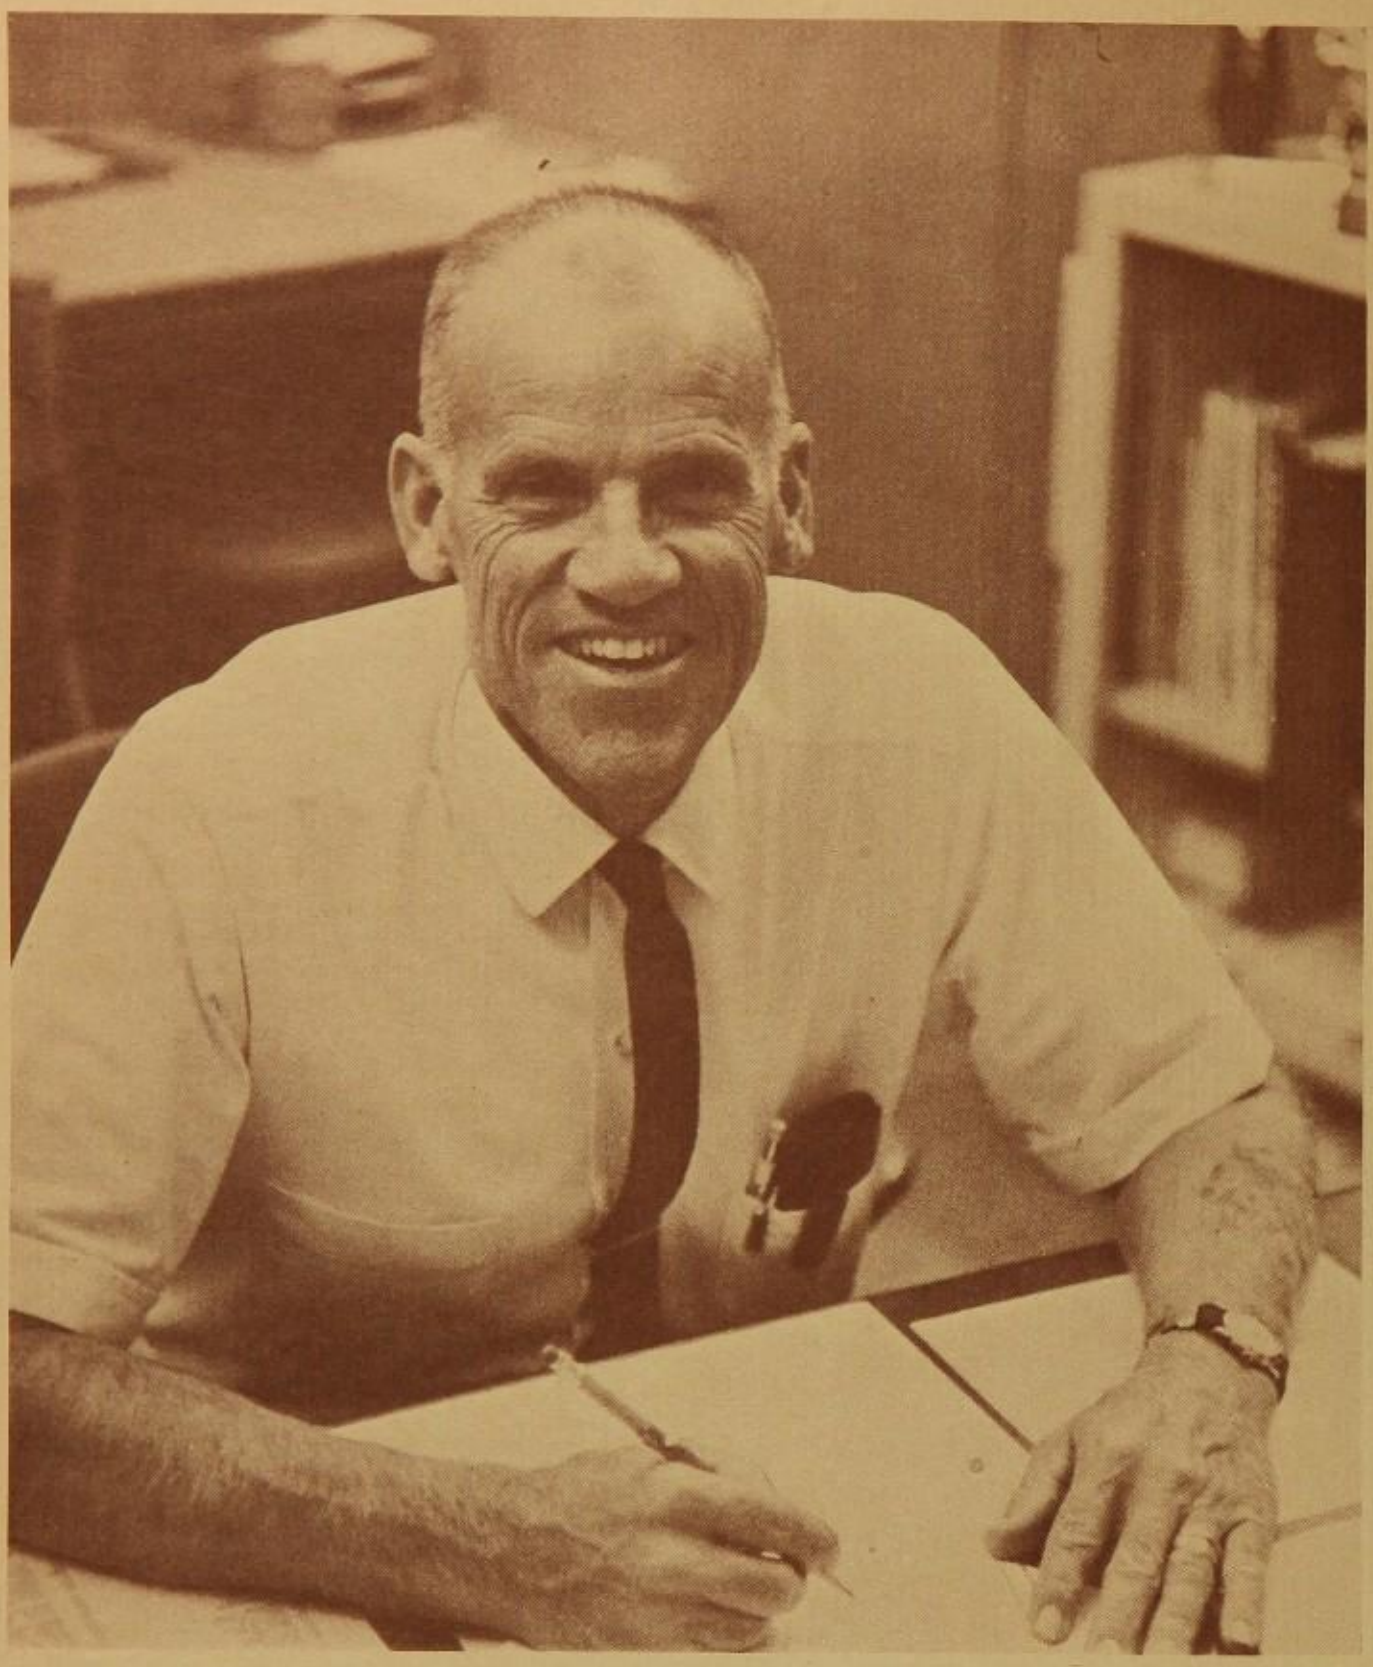
The Administration of Grossmont has given us inspiration, guidance and determination throughout the entire year. They willingly have devoted time, energy, ingenuity and above all a hand to supply strength to the students as both individuals and a student body.



INSPIRATION. . . DEDICATION



To the memory of Max L. Hoxsey, the Student Body of Grossmont High School proudly dedicates this 1968 issue of El Recuerdo.

The warmth of Mr. Hoxsey's personality, his cheerful courage in the face of failing health, his competence in the performance of his work as Plant Manager, combined with his enthusiastic involvement in the life of the school and its students have added another inspirational chapter to the saga of Grossmont's loyal supporters.

Mrs. Martinez,

The Senior Class would like to dedicate their section of the 1968 El Recuerdo to you, in the hope of expressing our deepest appreciation for your help.

We know that you have given of yourself, your time and energy. You have gone beyond your professional commitments, and have taken a genuine concern in helping us to prepare for the future. No gift has been so great as yours to us.

This dedication is a recognition of your contribution to our lives. This dedication is heartfelt gratitude for your help. When we look back on our experiences at Grossmont, you will be one of our most unforgettable characters.

Sincerely,
The Class of 1968

BETH,
I WISH YOU

FOUR YEARS OF GREATNESS

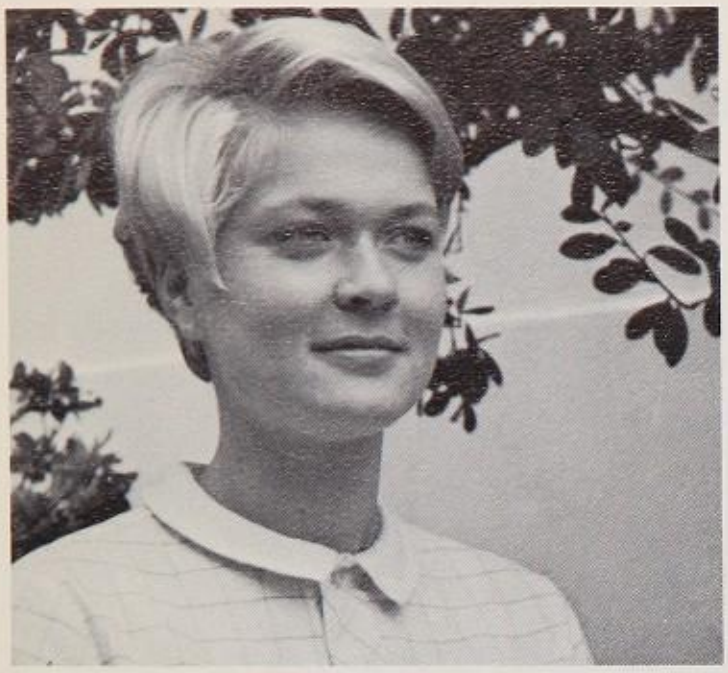
BOB Darling '71

As Freshmen, we held our first major activity of high school life, our Disneyland trip, which everyone attended. We also had a well-attended picnic, at which we had a KDEO disc jockey for a guest. Trouble with our "in crowd" and "out crowd" added a little interest to the year. But most of all, we became the groovy class we are. The first class officers of the Class of '68 were Bruce Mincks, President; Chris Peterson, Vice-President; Stephanie Seewald, Secretary; Edith Gray, Cultural Affairs; Paula Norton, Publicity; Pete Baxter, Treasurer; and Karen Olsen, Red Howard, and Maxine Fitzenmeyer, Reps-At-Large.

As Sophomores, we returned to Disneyland in triumph. We followed this up by sponsoring a Sophomore-Junior picnic at Big Oak Ranch, and continued to set the pace for the rest of the school by putting on the greatest talent show the school has ever seen. Being a Sophomore isn't always easy--you're not an upperclassman, but then you don't get the attention of a Freshman. But, we established our reputation as a great class. Our officers were Ed Weaver, President; Edith Gray, Veep; Nancy Ross, Secretary; Joan Nelson, Treasurer; Jeri Frame, Cultural Affairs; Sharon Williams, Publicity; and Bruce Mincks, Linda Stone, and Sara Teague, Reps-At-Large.

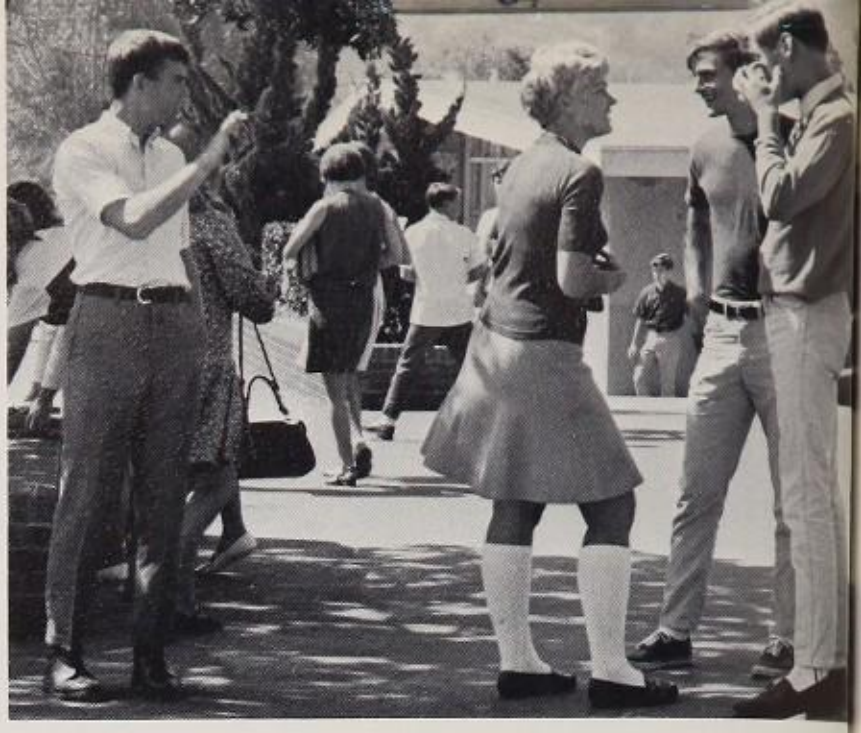
As Juniors, we became upperclassmen with our Junior Banquet, held at the San Carlos Club. There, we put on our famous "Dating Game Skit" for the first time. Our class sponsored the successful district-wide activity at Sea World, for which we were able to get "Sandi and the Classics" and "Marsha and the Esquires." In April, we rocked out at our Junior Ball, held at Vacation Village. Leading the Class of '68 this year were Bruce Mincks, President; Pete Baxter, Veep; Nancy Ross, Secretary; Jeri Frame, Cultural Affairs; Stephanie Seewald, Treasurer; Bonnie Pilson, Publicity; Sue Cromer, Spirit; and Marty Weiss, Maxine Fitzenmeyer, Ellen Wier, Reps-At-Large.

As the Senior Class of Grossmont, we humbly accepted the torch of greatness we had come to deserve so richly. Senior Breakfasts, dress-up days, and our last year of making Helix Voo-doo dolls, took the taste of College Boards out of our mouths. As the year drew to a close, we found ourselves wondering where the past four years had gone-- it seemed like such a short time ago that we were Freshmen. Finally, we climaxed our spectacular four years with the Prom, at the Bahia, the after-grad, after-prom....and graduation. The last class officers of the Class of '68 were Bruce Mincks (who else?), President; Ellen Wier, Veep; Carolyn Dowe, Secretary; Linda Bohnsack, Treasurer; Carol Hanson, Publicity; Donna Gerlach, Cult. Affairs; Terry Adams, Spirit; and Jennie Thompson, Tim Gauss, Maxine Fitzenmeyer, Reps-At-Large.



HELGE RAPPOLD

I come from the city of Stuttgart, Germany. Together with my parents and my brother I live on one of the numerous hills of Stuttgart. I attended an all girls' school and was a member of the student council, commissioner of publicity, and editor of the school newspaper. In my free time I enjoy swimming, dancing, playing the piano and organ. My main interest is in journalism. My family and I enjoy traveling and after having visited some of the communist countries I now appreciate the freedom you and I are so privileged to have.



INTERNATIONAL FRIENDSHIP GROWS THROUGH STUDENT EXCHANGE

Linda Stone was selected by Grossmont High School and A.F.S. New York as this year's Americans Abroad finalist. A long and anxious wait to find a foster family followed many completed applications. Linda anticipated spending the 1967 summer abroad, but unfortunately, she was not placed because a foster family could not be found.

FRANK LANSDORP

My hometown is the city of Hague in the Netherlands. It is about the size of San Diego. In my Dutch family I have one brother and two sisters. The school I attended had approximately 100 students. In school my main interest are in the mathematical and scientific fields. I think my placement by A.F.S. could not have been any luckier for me. My family, the people in school, in fact all the people here have made this year the most rewarding of my life.

MARIA RAMOS-R

I come from Sullana, Peru. I have three brothers and two sisters. My favorite sports are swimming and volleyball. I'm planning to go to the University to study to be a business secretary. I had always dreamed of coming to California because I wanted to see Disneyland. I like California because the people are friendly and I'll never forget my year here and my happy experiences that I have had with my friends.

WE PLAN. . .

Baccalaureate Committee

The planning for the 1967-68 Senior Committees was started during the summer by our class vice-president and president. By fall, most of the committees, the Prom Committee especially, started work. The Prom Committee was able to obtain the beautiful Bahia room on Mission Bay for this year's prom.

Each committee is responsible for its particular aspect of senior life -- from Cap and Gown to After-Grad.

BRAD NELSON

ASB PRESIDENT 67-68

The ASB aspect of student government has been called "a vacuum in a bottle; a carefully erected container used to conceal the nothingness inside," among other things, by some of its more ardent critics. And, unfortunately, in the past this has often been the general opinion of the school public. When the 1967-68 ASB Officers were elected, a change began to take place. They were elected in the midst of the "Great Depression" in student spirit and interest, which was so clearly marked by the loss of the 1967 Nominating Convention, The commissioners were new and original, with a new and inspiring advisor, Miss Jones. It was time to get Grossmont back on its feet, and this year's commissioners led the way! The Commission began to work more closely with other organizations in the school such as the Foothill Echoes, Varsity Cheer Squad, and Student Council, rather than limiting its work to the ASB Office. Each commissioner is enrolled in Student Leadership Class, with other student leaders, under the direction of Miss Jones. Here, they undertake the responsibility and planning of Frosh Orientation, Homecoming Week, the Christmas Dance, Nominating Convention, Helix Week, assemblies, dances, and other ASB activities. The success of these activities is largely dependent on the concern and labor that Leadership Class puts into them. The Commission added greatly to our exciting football season with its pep rallies and publicity. Behind all the glamour and fun of sports, dances, elections and our activities, our commissioners were working hard all year. This year's ASB leaders deserve the recognition of being the great leaders they are.

Jan and Dan: Ace-editors

Communication is a vital part of the school campus. In their efforts to close the communication gap between students, the 1967-1968 FOOTHILL ECHOES covered such subjects as hippies, jail, war, drugs, student government, movies, activities, teachers and students. In the past the ECHOES has been a rather average school paper. This year's staff, headed by Jan Gerbaz, Editor-in-chief, and Editorial Editor, Jennie Thompson, strived towards a unique, new approach to the paper. After trying hard to gain more "freedom of the press," we found that we were bound by district policies. We attempted to broaden our scope within these restrictions.

As Grossmont continued to grow in excellence, the ECHOES' News Editor, Ann Easterly; Feature Editor, Cindy Parker; and Sports Editor, Larry Gillham were kept busy covering the many aspects of Grossmont. Also, working behind the lines were Sue Sutton, News assistant; Terry Wilson, Feature Page Assistant; Trudy Thomas, Business Manager; Bob and Steve Gillespie, Photographers; Carol Hansen, Dave Leland, M'Liss Minkel, Helge Rappold, Colleen Renwick, Reporters.

Many thanks to our friend and advisor, Mrs. Judi Fenn.

Anyone for Twister?...

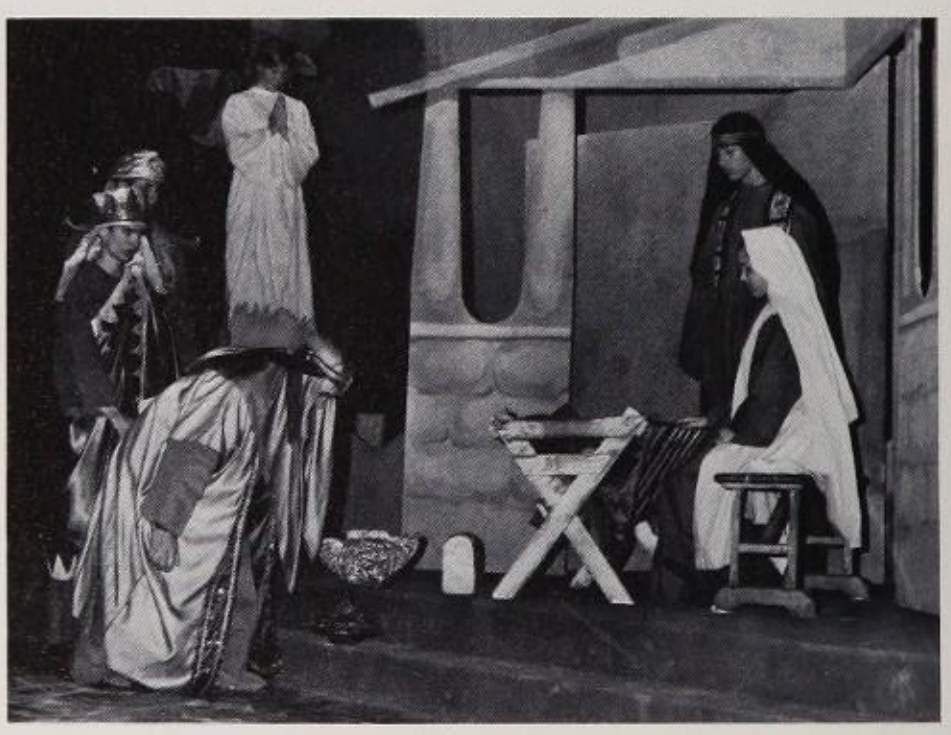
Boys' Federation Board - President Bill Funke.

Throughout this year, Hi-Fiettes has tried to create a new feeling and understanding towards this organization for all girls under the leadership of Mikki Osborne. The summer sprang Hi-Fiettes into action with the Big-Little Sister, Watermelon Feed to orientate freshman girls to activities of Grossmont. Good Grooming came in the Spring along with the new Valentine Send. Sadie Hawkins and The Dog Patch Drag were more successful than ever. Not only were activities sponsored for students, but better faculty relations were brought about by faculty Teas. All these activities and others helped make a successful year for Hi-Fiettes.

Boys' Federation is an all boy club at Grossmont, under the leadership of Bill Funke. This year's activities include Boy of the Month, Freshman Work Project, and the Car Wash. Other duties include bulletin notices, Boys' Federation Bulletin Board, Sports programs, and the all freshman boy pre-orientation assembly. Boys' Federation has been one of the more successful clubs on campus.

GROSSMONT'S GIFT

"And there were in the same country shepherds abiding in the field, keeping watch over their flock by night. And lo, the angel of the Lord came upon them, and they were sore afraid. And the angel said unto them, Fear not; for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Savior, which is Christ the Lord. And this shall be a sign unto you: Ye shall find the babe wrapped in swaddling clothes, lying in a manger. And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, good will toward men." And that's what the Christmas Pageant is all about.



The beauty of tradition was once more enacted with the spirit of Universal Love. The students of Grossmont gave precious time to, with the essence of Christmas unselfishness, bring to the school, the people, and the city, the most beautiful Christmas gift of all: Devotion, love, and a belief.

Through the gift of hard work and endless hours, Miss Barton coordinated the pageant and produced Grossmont's gift to the Community.

Portrayal of the madonna by Colleen Renwick and Laura Williams; Mary by Linda Packard and Lynn Singleton; Joseph by Ken Viera, was fascinating and instilled in all beholders a reverence for the ideal coupled with the characters. Performance by the Red Robe Choir and the rest of the cast was truly great.

Alumni return to enjoy our Homecoming festivities.

"Yah!.. Touchdown!.. We're from Grossmont, we're number one, C.I.F. here we come," was the cry from lowly Freshman to mighty Seniors as we smashed the Green Machine. Queen Jeri truly represented the charm and tradition of Grossmont during that triumphant week. Following the crowning everyone "Flapped Out" at the Varsity Drag in 1920 style.

Miss Francis Coughlin and Dr. KoKernot became the 1967-68 honor graduates at our memorable Traditions Assembly, which showed the enthusiasm, spirit, and pride of all Grossmonters, past and present.

To signify our number one year, our Marching Band received Disneyland's first place award for the top High School Band in the nation.

"We're number one!" was the cry heard throughout Grossmont last fall, and The Grossmont Marching Band and Specialty Corps started the trend by winning first place in the nation-wide Disneyland Holiday Marching Band Contest. The theme of their award winning show was "The Wonderful World of Walt Disney," the script of which was written by Mrs. Lea's English classes. After winning the Disneyland contest, in which the band competed with 280 high school bands, they went on to present a half-time show at the UCLA-Syracuse game in Los Angeles. Finally, to climax the season, the Grossmont Band performed at the Miami Super Bowl as the number one high school band in the nation.

During the entire fall marching season, the Grossmont Marching Band thrilled thousands of spectators with their precision marching and music. They marched at the new San Diego Stadium for State College's Band Night, the Mother Goose Parade (in the rain), and all of the home football games. The 130 piece band also presented their winning show at the district Band Jamboree at Aztec Bowl. Among their many awards, they received the top music trophy at the Maytime Band Review, and the judge's trophy for the "most outstanding performance" at the Chaffey Tournament in Ontario.

This organization was selected as the only band in the seven Western States to perform at the Music Educators National Conference in Las Vegas last March. The symphonic band also performed at the music festivals, Pops and Spring Concerts, and Commencement.

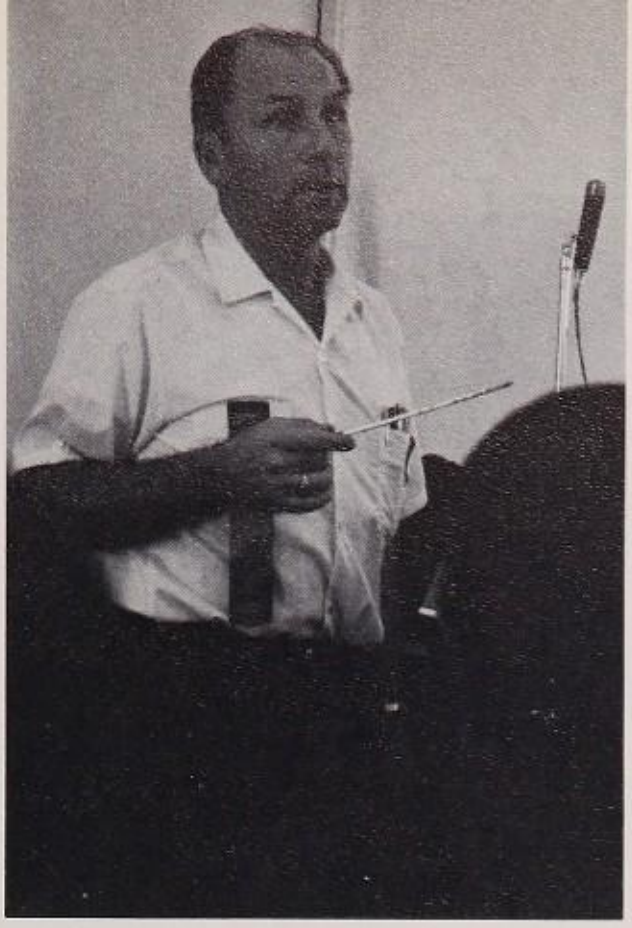
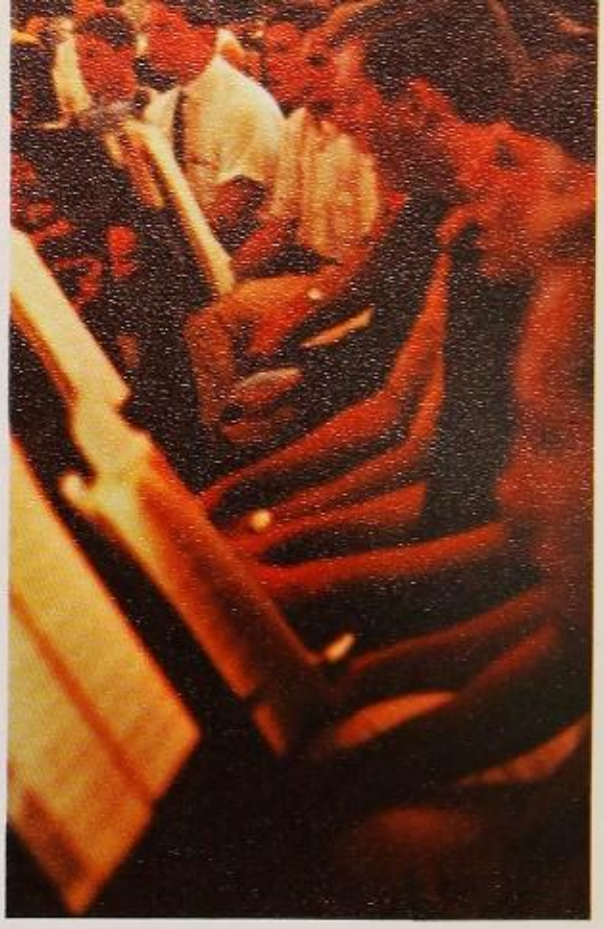
Practice makes perfect. . .





The 1967/1968 season began with the leadership of the choir president, Brad Nelson. Together with his vice-presidents, Nancy Kendrick and Diane Woods, secretary Sara Parr, and treasurer Kathy Shaw, he was able to plan an exciting and full year.

Participation in the District Choral Fall Workshop held at Santana High School was the year's first activity. The Annual Christmas Pageant followed next as one of the year's major activities.

Several performances including Traditions, Christmas and Spring Assemblies were given during the school year for the Grossmont Student Body.

The choir also participated in the Vocal Festival in San Diego County, and at Westchester High School for competition. This year marked their third appearance for the Cleaning and Decorators Annual Convention in San Diego.

The choir sang at the Spring Concert, Pops Concert with the Band, and Baccalaureate services for the Senior Class which completed the years performances.

MEN'S AND GIRLS' ENSEMBLES

The busiest seasons for the Grossmont Men's and Girls' ensembles were the Christmas and Spring Seasons. During these seasons the ensembles performed together for the La Mesa and El Cajon Rotary Clubs, Pan Hellenic, the Windjammers, Fredericka Manor, and the Daughters of the American Revolution. The Men's Ensemble took part in an Ensemble Festival at Fullerton College, while the Girls' Ensemble attended the Music Educators National Convention in Seattle, Washington in March, 1968. The year was completed with both groups singing in the Pops and Spring Concerts.

MEN'S CHORUS, FRESHMAN AND GIRLS' GLEE

These groups, for interested students who simply enjoy music and singing, also provide training for later membership in our Red Robe Choir, and Ensembles. Their main activity of the year is the District Glee Festival.

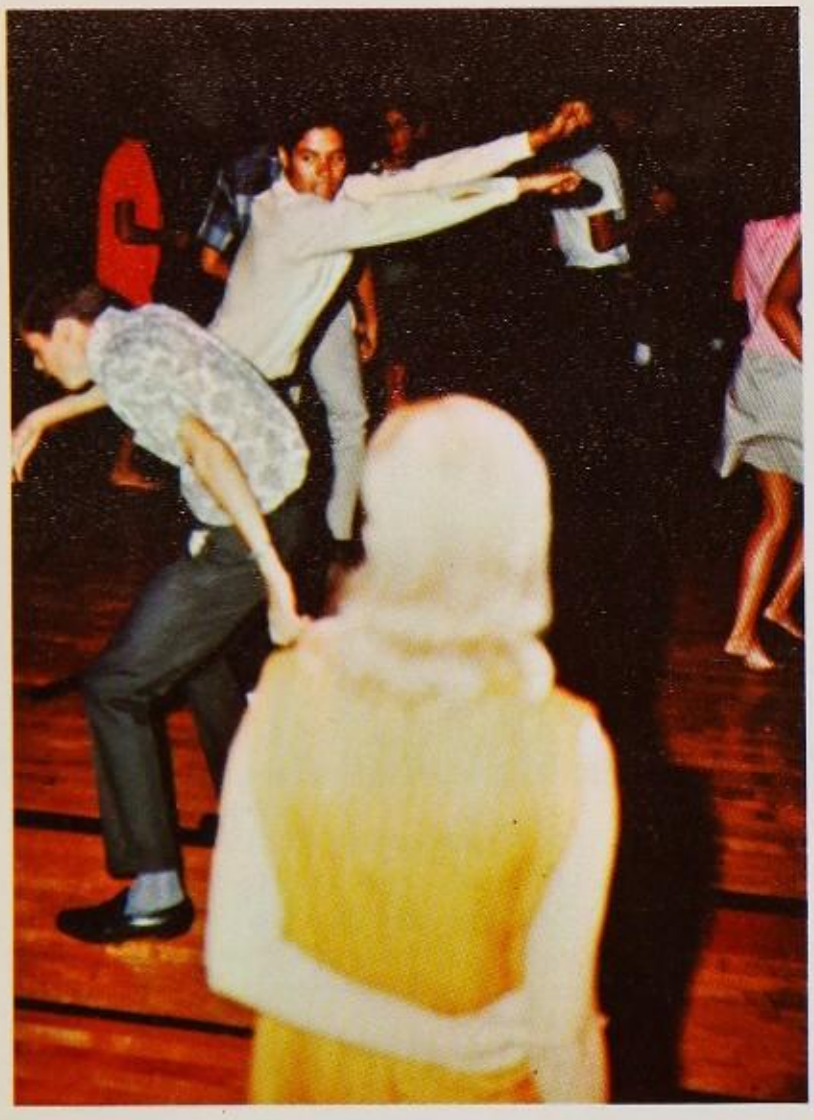
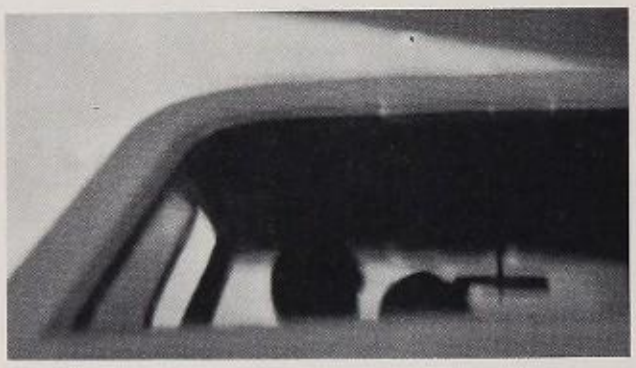
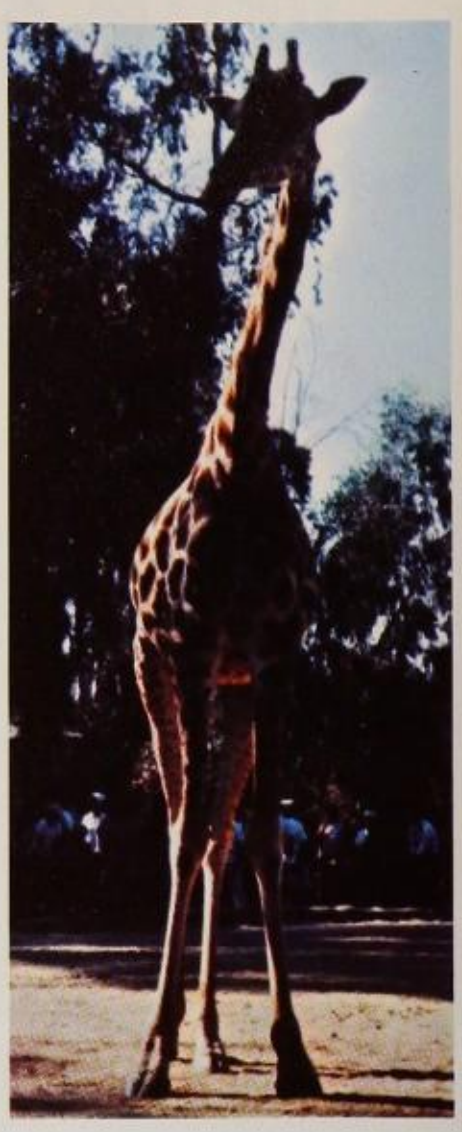
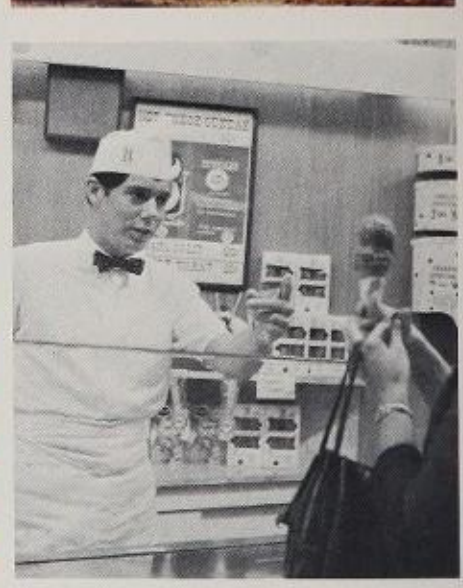
THOSE WEEKENDS. . .





. . .were the wild ones. There is a time for everything and those weekends were no exception. There was a time for dance enthusiasts, surf enthusiasts, animal lovers, and just plain lovers. . .heads up handsome!





Food was an important highlight and after a wild, triumphant, football game, nothing satisfied us better than a combination of laughter, pizza, and pepsi. Of course the next day there were always flavorful jobs to attend to or a cruise to Jack-in-the-Box. Not to be outdone by "boys night out" the girls held Saturday night slumber parties that were literally "out of sight". Who said slumber? Get 'er!

TODAY'S STUDENTS; TOMORROW'S LEADERS

By their help we are led through a prosperous and rewarding year.

DECA is a program of youth activity. It attracts young people to careers in marketing and distribution. As anyone in the D.E. program will confess, the rewards and pleasures are constant throughout the year and will help during the future life.

This year's Grossmont Chapter completed a successful and enlightening year. Among the many fund raising activities were a chocolate sale and a Christmas wrap. As a Christmas project, we wrote letters to Viet Nam and sent packages filled with items needed there.

The most rewarding experience was helping a needy family to enjoy a happy Christmas. Food, clothing, and household items were gathered and taken to this family and for all of us this made our Christmas complete, knowing that our help and concern was appreciated and wanted.

Grossmont participates in District, State, and National Conferences. As Mr. Martin sums up, "There is so much to do and so little time."

President Allan Slagle conducts weekly DECA meeting.

Mr. Martin, our advisor, shows the many trophies won by Grossmont's DECA chapter.

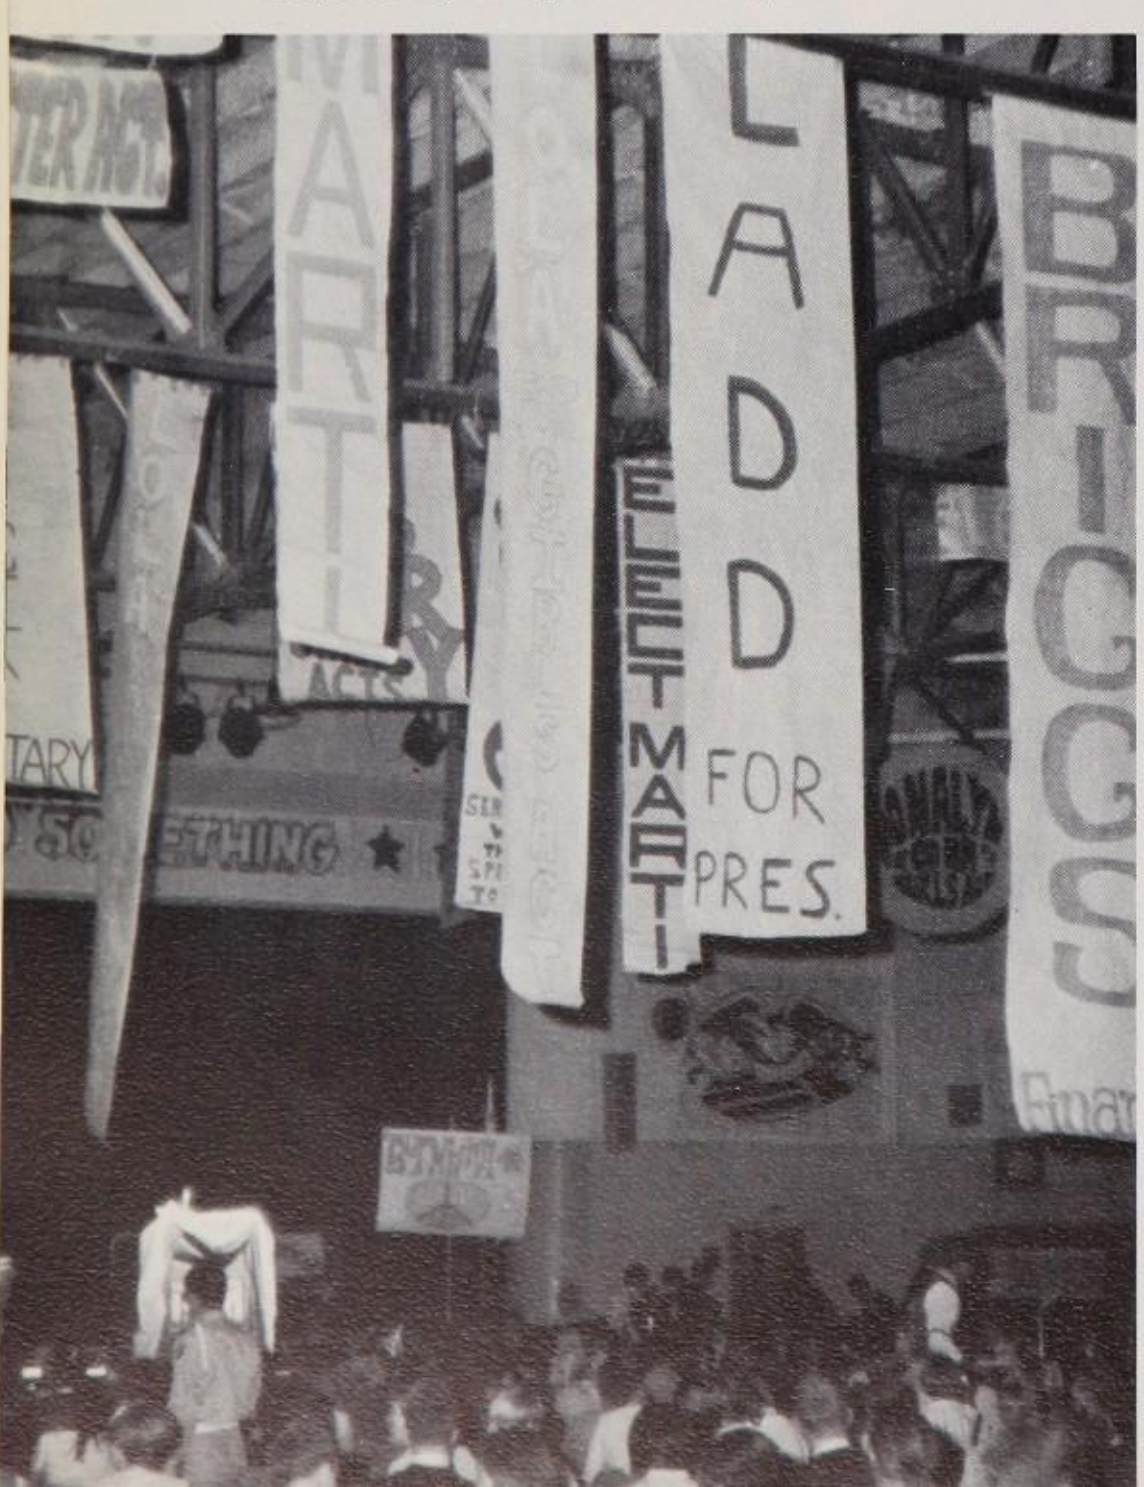
SAY SOMETHING, DO SOMETHING, BE SOMETHING

Anticipation reigns during breaks between speeches.



SAY SOMETHING... DO SOMETHING... BE SOMETHING... Flying confetti, soaring hopes, fiery speeches, dull speeches, cutting disappointments, patient workers, weariness, enthusiasm, success... the ingredients of the 1968 Grossmont Nominating Convention.

The 1968 Convention, planned by ASB Secretary Nancy Ross, was indeed a huge success. Our keynote speakers were Archie Moore, Congressman Lionel Van Deerlin, and the 1964 ASB President, Phil Pratt. Archie Moore, founder of the "Any Boy Can" Club, brought five young boys from his club and put on a demonstration showing the purpose of his club. Lionel Van Deerlin's inspirational speech was given at four in the afternoon, attracting many guests.

In order to make the pages a more organized body, this year the Benchwarmers were appointed as pages.

The success of the 1968 Convention will insure the success of many more exciting conventions to come.

I have one vote. Do I hear two?

This year's Class of 1969 was unsurpassed in every phase of student endeavor. In sports, we helped lead our varsity and J.V. teams to victory. Academically, the juniors did well with more students in C.S.F. this year than any other class. In school service, we scored high. Juniors worked on the ASB commission, student council, and other organizations. The class came through admirably in activities, thanks to the work of class officers. The Class of 1969 will remain unequaled for a long time to come.

The Class of 1970 has tried to make the most out of the last year between being a novice Freshman, and an upper-class Junior. The dynamic Sophomores planned many new activities. For fund raising, we held two very memorable car washes. Our fun raising activities were our Disneyland trip, picnic, and others. Many thanks are owed to Mrs. Miller, Mr. Sanders, and our counselor, Mr. Kintzele.

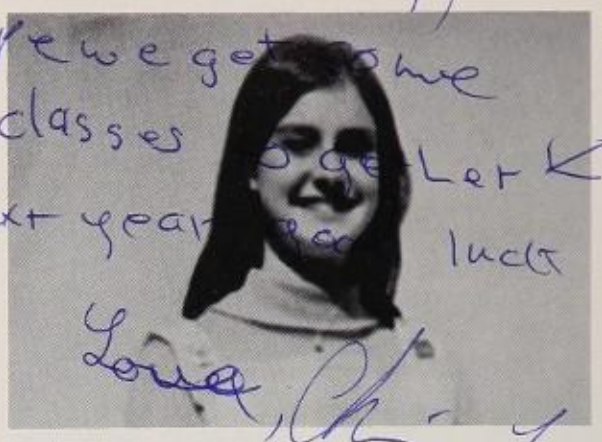
Class Council



Secretary, Dotti Gann

As our first chapter of high school life closes, the Freshman class reflects back on the past year. The Class of '71 has found this year to be a very profitable and enjoyable one. Together, our class has experienced many activities, ranging from a car wash to the greatest and most memorable activity, our Disneyland trip. We hope the Class of '71 will continue to contribute their greatness to Grossmont in the next three years.

The 1967 Foothillers are champions. Twenty years is a long time to wait, but the wait is finally over, as the Foothillers brought to Grossmont High the first League Championship since 1947. This was Grossmont's first championship since the League's inception in 1963. The "Big Win" was undoubtedly the 13-6 victory over arch-rival Helix, while the "Big Disappointment" would be the loss to St. Augustine, 33-13, in the final round of the CIF play-offs.

The year began with a victory over Crawford, featuring the long-bomb from Russ Proctor to Paul Neumann. Our first league win was over El Cajon. Dennis Sutton began his rise as one of Grossmont's brightest stars. The next step on the ladder was the destruction of Santana by a strong Hiller defense, led by Tom Julian and backed up by Dave Mattson and Dan Sampson. The undefeated Foothillers then put down a determined challenge by Granite Hills 35-19. This set the stage for the titanic battle with El Capitan. A rugged defense led by Tom Wenbourne and Bruce Thomas, coupled with an offensive burst by Dennis Sutton eliminated El Cap 27-13. Then came the showdown with the "Green Machine" from Helix. Grossmont disassembled the machine to the tune of 13-6. Great offensive blocking by Mike Cummings and Terry Fleming paved the way as the Hiller defense again proved itself the best in Southern California by battling the Highlanders' offensive thrusts. The bubble burst the following week as Grossmont dropped a 6-2 decision to the Matadors of Mt. Miguel. The league clincher came at the expense of Monte Viste 35-7. Harry Tong had a great offensive night, and Doug East had his usual fine night on defense.

The Mighty Foothillers succumbed to the St. Augustine Saints 33-13 in a torrential downpour in the first round of the CIF play-offs.

The cover closed on Grossmont's greatest year on the gridiron. There is always that note of thanks to a great coaching staff, Head Coach Pat Carroll, Defensive Coach Pat Roberts, Offensive Coach Don Goodpasture and Line Coach John Godden. These men gave of themselves unselfishly so that our athletes might excell. For them there will always be a special place in the annals of Grossmont High School.

Thus, the football season fades, but 1967 will always be remembered as a team year, when every athlete gave everything all the time as the Foothillers gained their first title since 1947.

THE UNDEFEATED J.V.

The undefeated Grossmont J.V.'s won the league championship for the second year in a row. They won nine straight games and outscored their opponents 228 to 45. The defense held opponents to a mere five point average per game with some teams capable of acquiring only a few first downs. The Grossmont J. V. offense averaged 27 points per game, exhibiting a balanced passing and running attack. Gary Stovall frequently completed crucial passes to Dave Arnston and Bruce McMullen, while Dave Medigovich and Phil Allen constantly carried the ball for long gains. Standouts in the rugged aggressive line were Frank Proctor, Roger Burger, Dave Waasted, Bill Julian, Steve Baker, and Dick Thorne. This team had the determination and attitude that is necessary to remain undefeated.

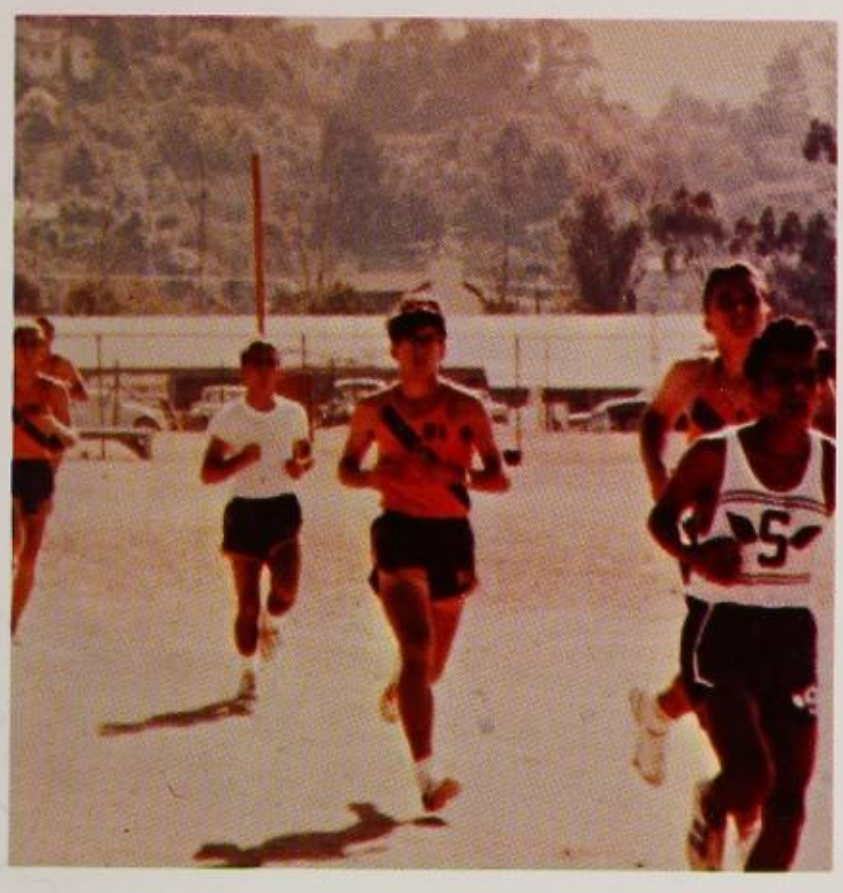
Coach Marlin Baer

Grossmont harriers, under the capable leadership of Coach Marlin Baer began another great season with an impressive victory over Chula Vista. Although the Hillers have been hindered by stiff league competition, Coach Baer feels that the team should finish strong on the legs of such runners as Bob Sturtevant, John Baum, John Guzzo, Craig Lashmet, and Brad Nelson.

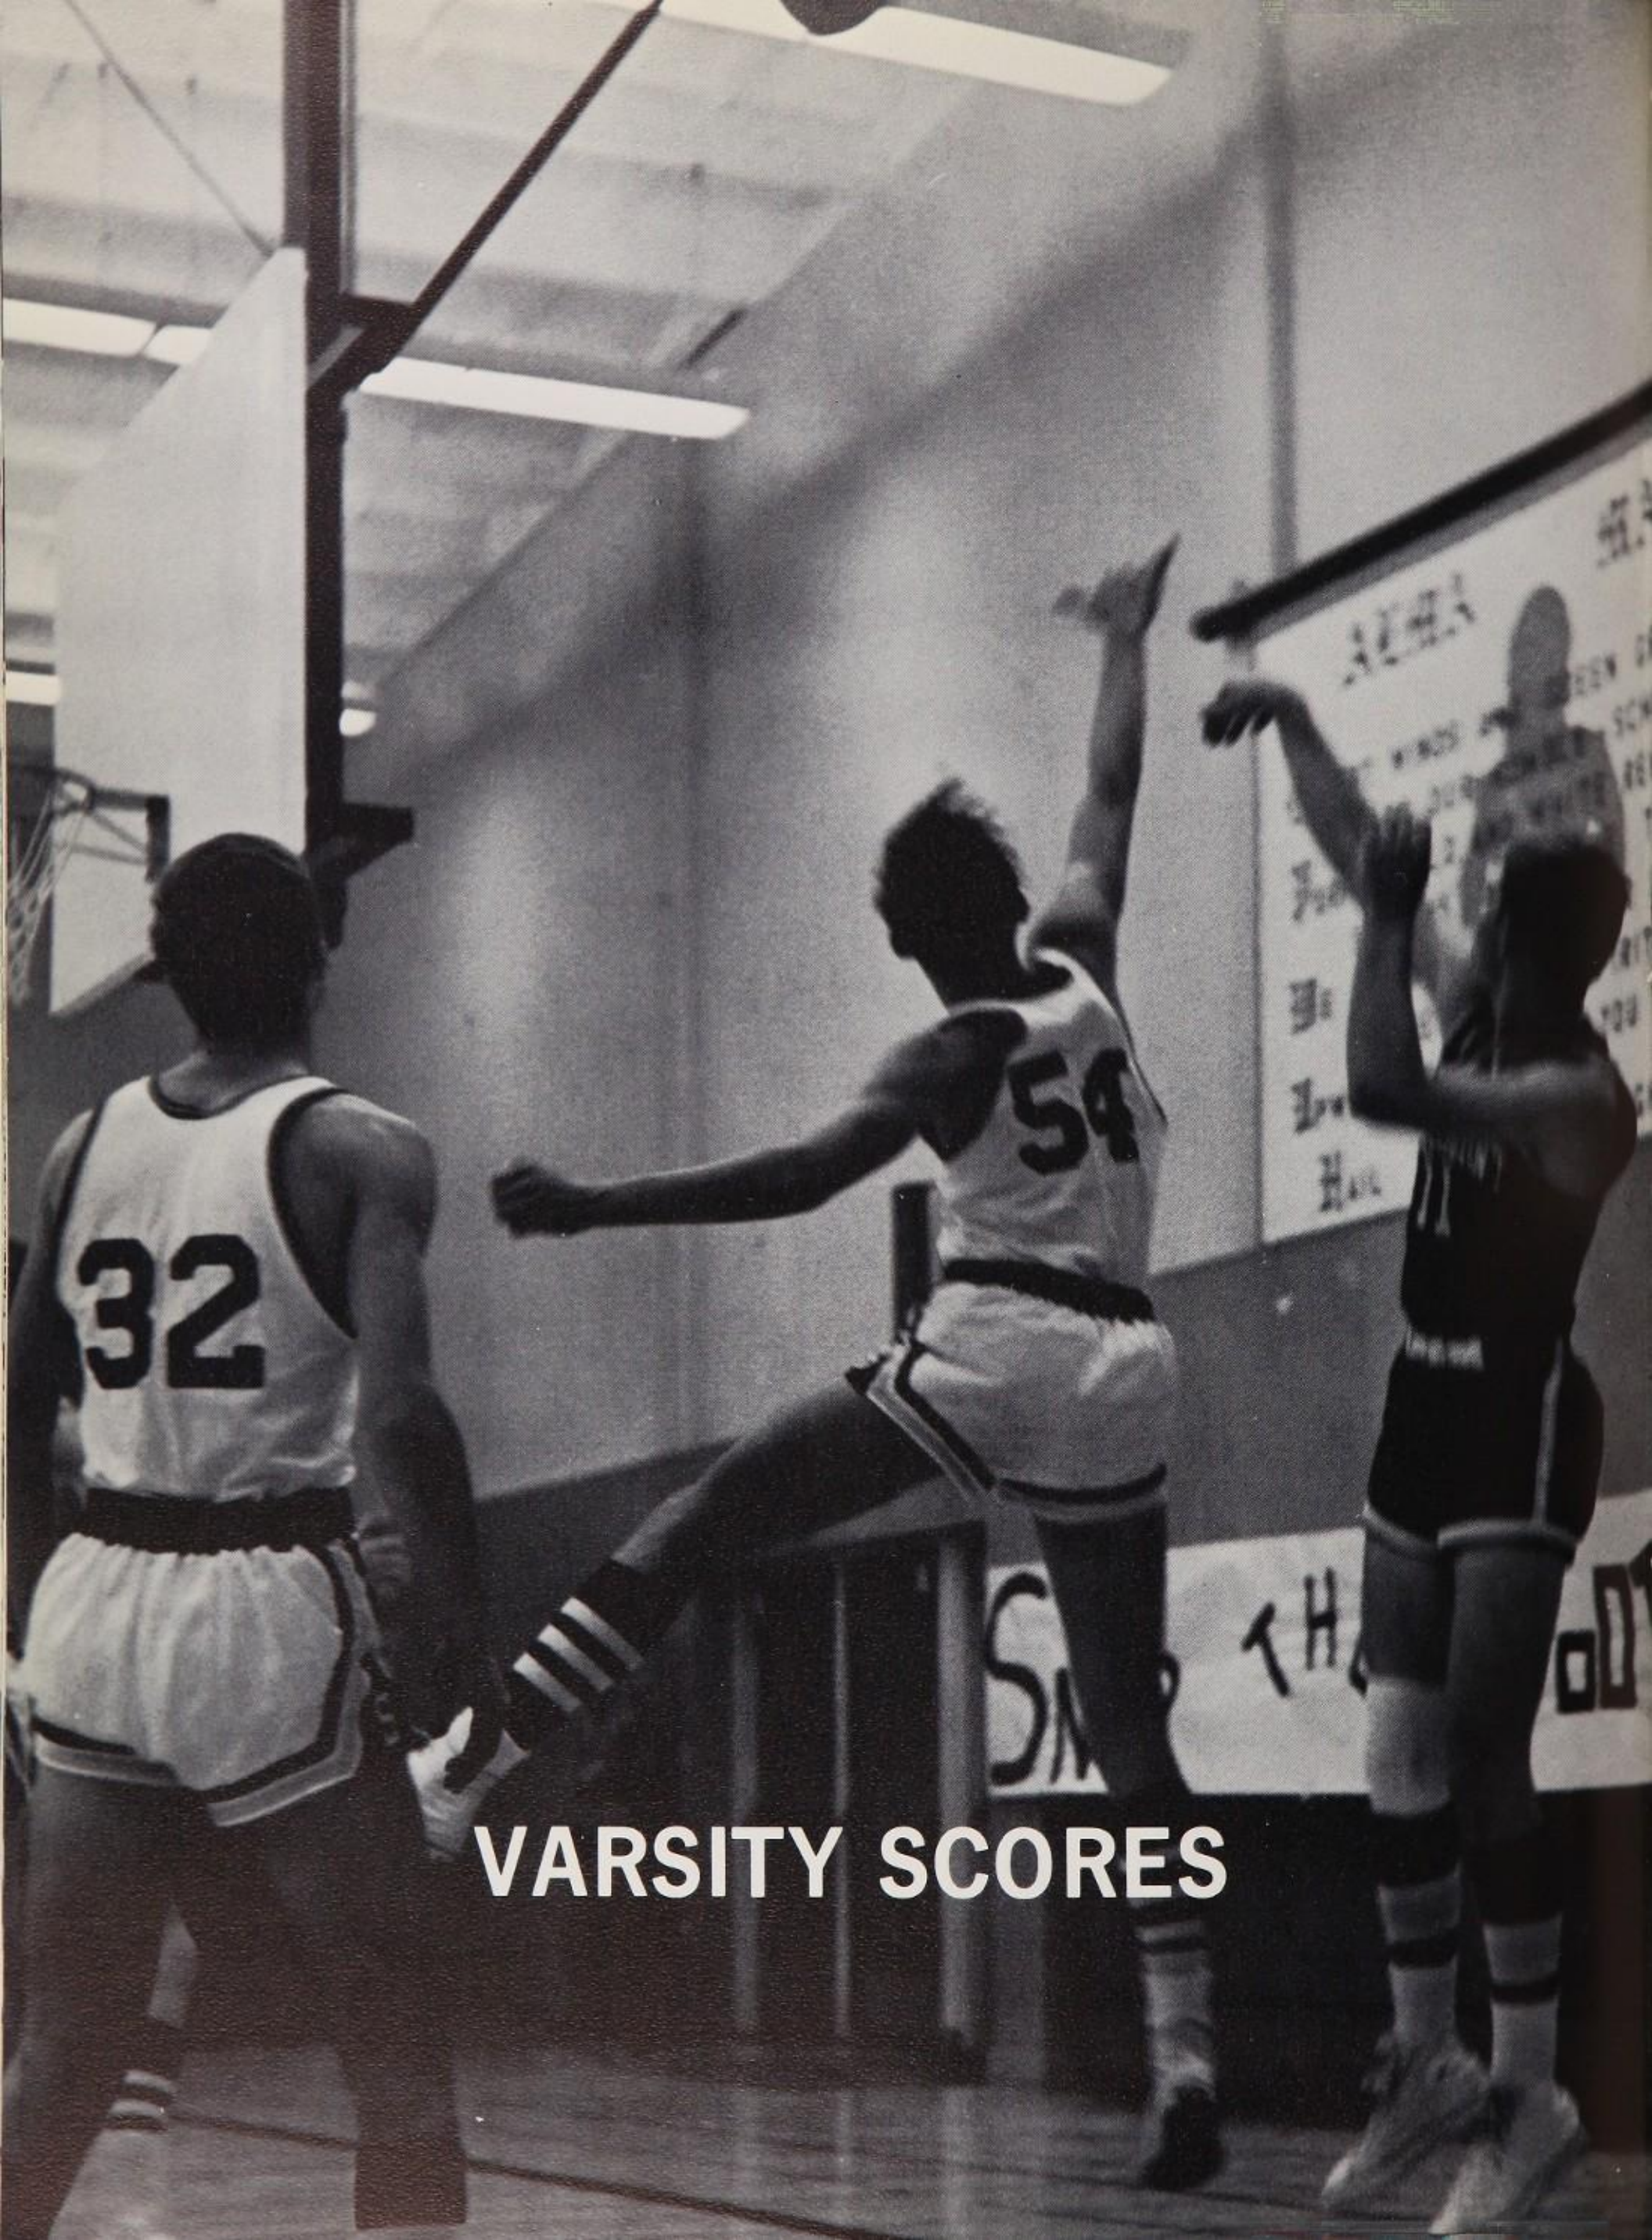
HARRIERS HUSTLE ON. . .



The Junior Varsity shows great promise for next year. The team has suffered two defeats early in the season but now is beginning to pick up momentum. The team is lead by Frank Lansdorp, Brian Cousineau, Tom Rendina, and Francis Sick.

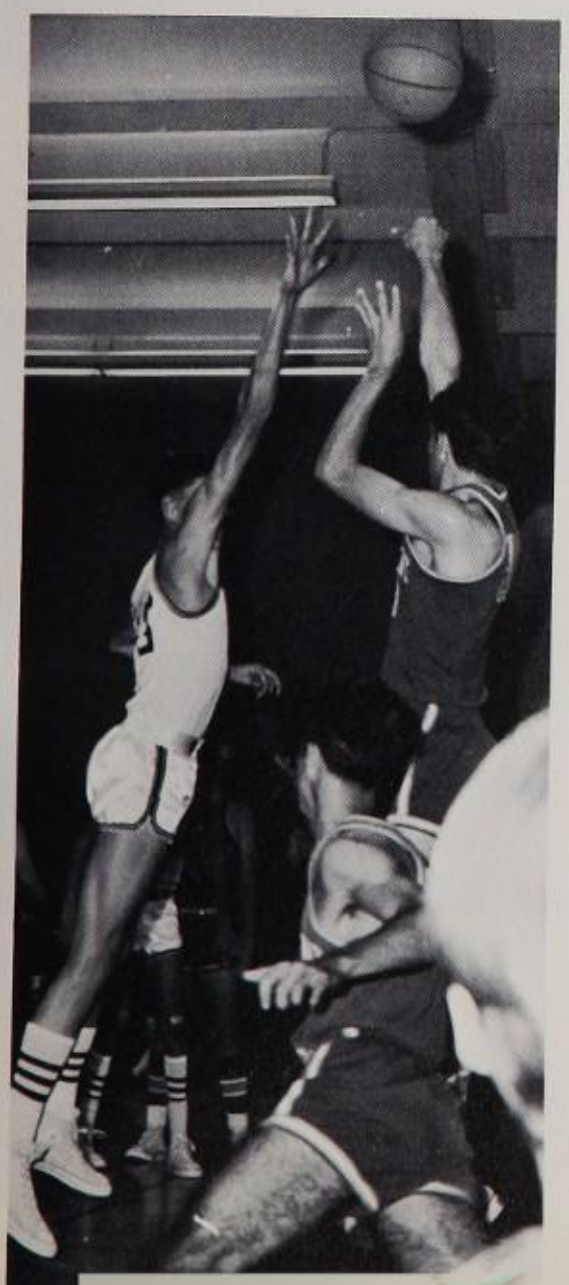
. . .AND ON

Only one narrow defeat has marred the freshmen harriers record so far this year. The frosh show great hope for the future with with such stars as Tom James, John Recklau, Eric Thompson, and many more. This is where the ground work for many great varsity teams is laid.



VARSITY SCORES

LEFT TO RIGHT: F. Foggiano, M. Wilde, B. Fibbs, B. Menzies, B. Akins, M. Proctor, J. Stennet, S. Kirshmann, W. Larson, P. Olson, L. Walker.



This year's Varsity Basketball team can be summed up in two words, young and inexperienced. There were no returning lettermen, and only one player with Varsity experience, Pete Olson.

The inability to shoot free throws, and the committing of too many fouls cost the Foothillers three or four valuable games early in the season. With league play just around the corner, the Foothillers found themselves depending on Monte Wilde and Goerge Menzies to carry the burden of the scoring, with Frank Foggiano and Pete Olson setting up the plays. Mike Proctor, John Stennet, Bill Ferguson, Dale Pennock and Mike Cravens were ready for a great deal of rebounding. Two juniors which are expected to improve with experience are Bob Akins and Wayne Larson. The league was tight for second place, with Mount Miguel having first sewn up with their over powering team. Any of the other seven teams were in the running for second, with the Foothillers fighting just as hard as the rest for a spot in CIF competition.

FOR LEAGUE HONORS

Practicing strenuously, sweating out the big matches, and spending valuable time. These are the elements that go into Grossmont's wrestling team.

The team was led on to victories by five returning lettermen Dave Zietlow, 98 lbs., Bill Echols, 115 lbs.; Allan Schlagel, 123 lbs.; Tom Julian, 154 lbs.; and Tom Wenbourne, 168 lbs.

Heading the list of grapplers, filling in the blanks left by last year's seniors are top wrestlers Chris Linda, Don Duarte, Ross Merrill, Norm Bell, and Bill Funke. They were headed by co-captains Allan Schlagel and Bill Echols. The team fared well in the Chula Vista Kiwanis Tournament, coming in second. As the season progressed, bad breaks and injuries hurt the team and the season ended with a 4-3 league record. In league finals John Newbrough, Bill Echols, Tom Julian, and Ross Merrill proved their worth while placing high in the standings. The top finale in league finals was Tom Wenbourne placing first in the 145 lbs. division. Top finishers in C.I.F. finals were Bill Echols placing third and Tom Wenbourne placing fourth. In the Grossmont College Wrestling Tournament Allan Schlagel finished first in the 125 lbs. class and was awarded the meets "Outstanding Wrestler."

SPIKEMEN DEFEND WINNING TRADITION

Grossmont's Track Team has always produced great stars. This years team is fortified with many fine performers under the supervision of Coach Marlin Baer. The "A" team has great potential and will attempt to regain the league championship lost to El Cajon last year. The Hiller trackmen have already revenged their defeat to the Braves last year in a close 65-67 battle. Impressive wins also against Crawford and Santana show signs that it will be another good year. Composing this solid team are polevaulters, Bob and Phil Lesh with jumps of 13-6 and 12-6 respectively; long jumper, Tom Gipperich; shotputters, Mike Moore, Steve Day, and Pete Baxter who have all hit over 50 feet; high jumpers, Jim Kerr, Chuck Alexander; sprinters, Paul Newman, Jerry Heard, Mick McGowan; distance John Baum; mile, Brad Nelson. Kevin Shrand, Grossmont's outstanding hurdler, has turned in some of the best times in the county in the 20-highs and 180-lows. In the discus Clayton Kraft has a best heave of 146 feet. Larry Gilliam has impressive times in the 220, 440, and 880. With a little more work Coach Baer is sure that the team will be on top in the fine Foothiller Tradition.

"C" TRACK

The prospects for the C-team continuing as winners look excellent. The C-team now has won 68 straight duel meets. Outstanding for its C-team should be Charles Cowser, Frank Preston, Bill Tracy, Phil Lesh, Mike Marshland, Bart Riley, Jim Clevell, and Paul Meyer.

CLEATED NINE. . .

Grossmonter beats wary pick-off attempt.

The Varsity team is ready for another great year. The team is still young and inexperienced, but has good pitching and excellent running. Their greatest asset, however, lies in their ability to capitalize on the opposing teams mistakes. The pitching staff is headed by Ken Koske, Dennis Weaser, Dennis Sutton, and Mickey Alasantro. The hopes for CIF are riding on the strong right arm of returning letterman Ken Koske, who has thus far thrown very well. The infield is composed of catcher, Tom Underwood; first base, Mickey Alesantro; second base, Frank Foggiano; third base, Bob Durbin; shortstop, Dennis Sutton. In the outfield there is Dave Medigovich, Phil Allen, and Bill Ferguson. All these boys will be returning next year. Frank Foggiano leads the team in stolen bases. Sutton and Durbin also supply the man at the plate with chances for RBI's.

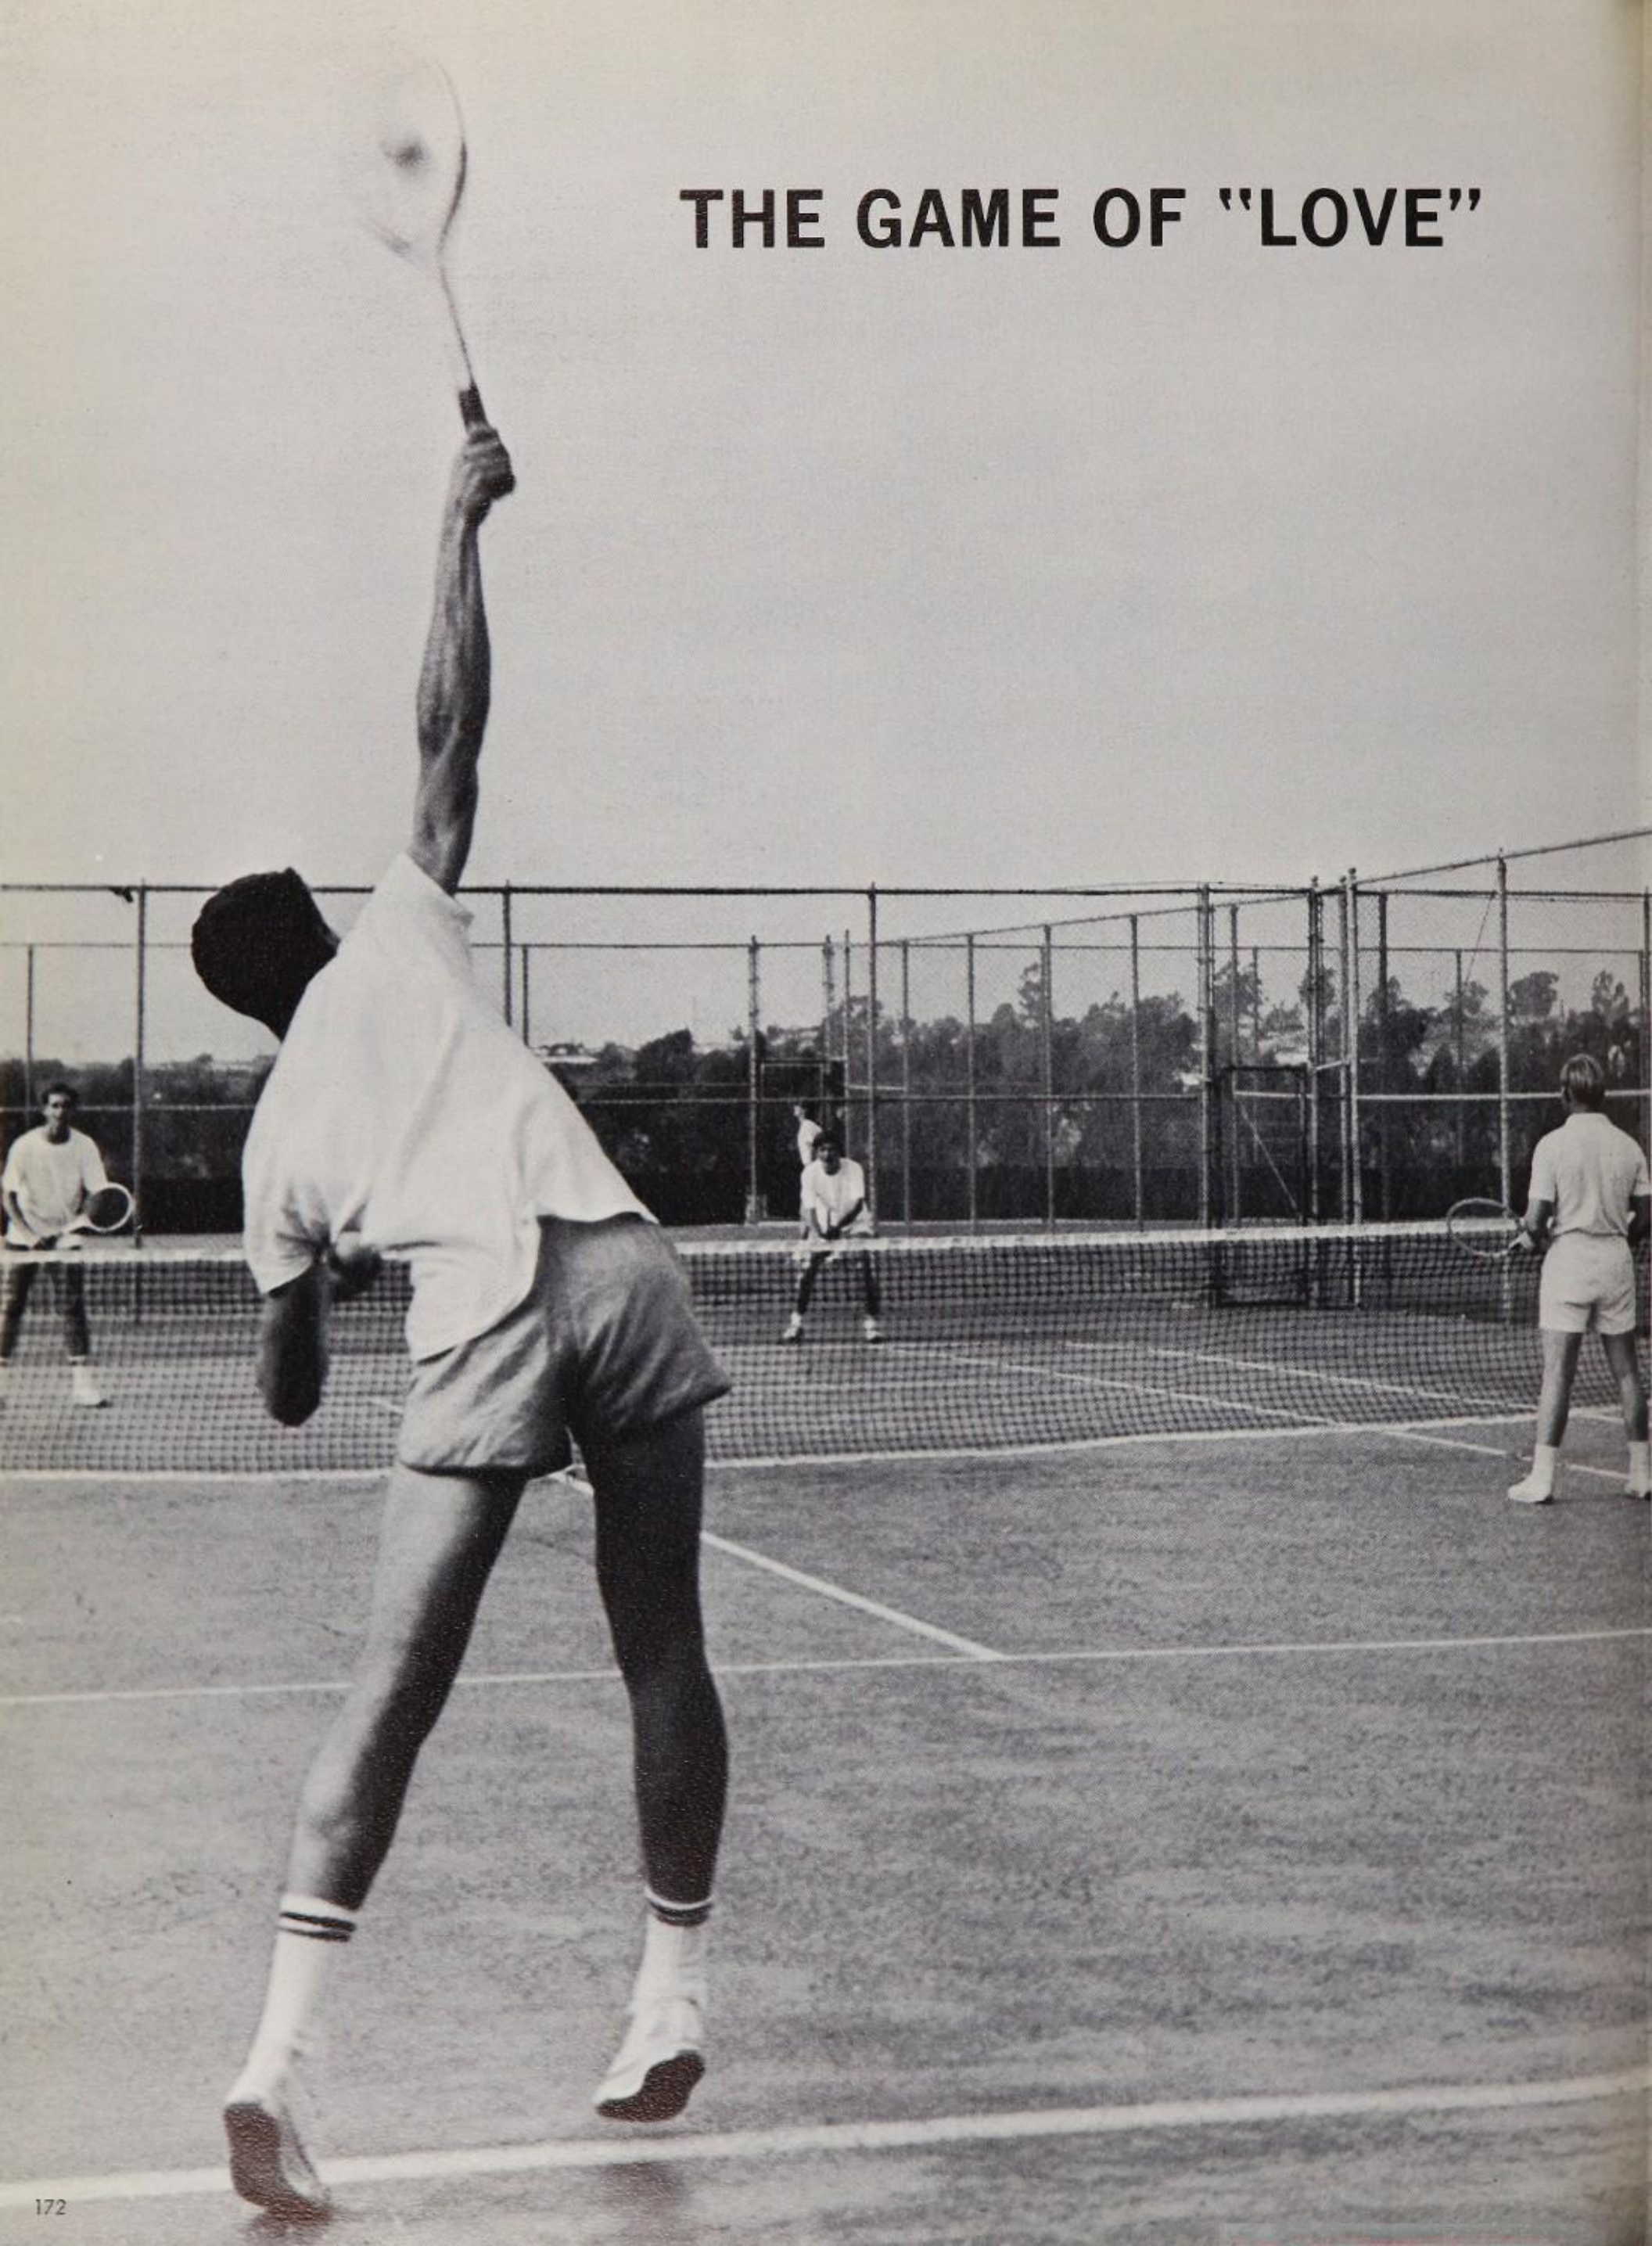
THE GAME OF "LOVE"



. . .LUCKY THIRTEEN?

One of the many traditions at Grossmont is to win the league title in tennis. For 13 years the Foothillers have done just that, but in a way that no other team has been able to equal. For the last thirteen years the Hillers have won every match in league play.

Each year, every other school tries to mount an attack on the Grossmont stronghold, but so far, none has been successful.

This years returning lettermen are Dave Lucas, Bill Herrick, and Woody Clarke.

Reinforcements from last year's undefeated, untied J.V. team are Walt Smith, Frank Terrazas, Phil Kintzele, Ron Reid, Brian Ford, Paul Smith, Larry Hyland and Pat Ryan.

This year we also have a freshman, Jeff Herrick, who will make his debut on varsity.

Backing up the varsity with more ammunition is this year's J.V. team which also boasts a won/loss record higher than that of any other team.

This year's J.V. consist of M. Phillips, B. Kintzele, B. Dickinson, M. Jobe, B. Lucas, J. Popko and R. Helm.

Other promising prospects include J. Reed, J. Lemon, D. Smith, S. McManns, D. Salazar and M. Oliver.

FRONT ROW: W. Smith, R. Reid, P. Kintzele, W. Clarke, J. Herrick, D. Peterson (manager). SECOND ROW: B. Herrick, C. Hyland, D. Lucas, M. Jobe, B. Lucas, P. Smith.

Grossmont's swim team is off to the greatest season since it began in 1963. Two years ago Grossmont placed first in the "C" division of C.I.F. finals. Last year we placed first in the "B" division and this year we are looking for the class "A" league and C.I.F. wins. The competition is tough in the league with Mt. Miguel and Helix our toughest rivals. Crawford also looks good for C.I.F. finals.

The team is sparked this year by 8 returning Varsity lettermen, two of whom will be four year Varsity lettermen. These are co-captains Don Duarte and Chuck Slaght. Others include three year lettermen Bill Brockett and Jim Penny, aided by Tom Penny, Ron Etchings, Kirk Riley, Neil Kourbelas, and Dave Glover.

The team also picked up some help from the freshmen this year with Reed Kourbelas and the nothing less than unbelievable Mark Wooster making the Varsity Squad. Both of these boys have an excellent chance of being four year Varsity lettermen.

So far this year Grossmont's team is undefeated in dual meet competition with wins over Sweetwater, El Cajon and San Miguel. We also crushed Hilltop 61-34 after last years disappointing 48-47 loss. In the National City Relays we placed 2nd in class "A" behind Crawford with a spectacular first place in the Medley Relay. The members of this relay, the fastest in San Diego County, were Don Duarte swimming backstroke, Kirk Riley swimming breaststroke, Bill Brockett swimming butterfly and Chuck Slaght anchoring with freestyle.

IT'S A RACQUET!

Racquettes, with expert coaching from Miss Bardon and Miss Creelman, continued this year to be one of the most successful girls' clubs on campus. Each week in fall 'till Christmas vacation, the girls convene on the courts to challenge ladder rankings and smash competitors. For seven out of the past nine years Racquettes have proved to be as formidable as claimed by capturing the coveted league title. Grossmont was also in charge of the District Tournament for all the girls from all the schools; this culminated the efforts of all in one spirited challenge.

W.R. BARNETT

Mr. Walter R. Barnett has been principal of Grossmont High for the past eight years. Forty-four years ago, he began his career as a foothiller as a freshman in the class of 1924. During his years at Grossmont, he successfully competed on the football, basketball, and tennis teams. Later, he lettered in these sports at the University of Santa Barbara, where he received his Bachelor of Arts degree in 1932. He continued his education by doing graduate work at the University of Santa Barbara and USC. His first teaching

assignment was in Santa Anna, where he taught until 1935, when he moved to La Mesa.

In 1942 Mr. Barnett interrupted his career to join the Navy and served in the Special Services Division.

Returning to his profession, he began teaching in 1945 at Grossmont as a math teacher and tennis coach. Soon, he became the assistant football coach, and in 1952 assumed the position of counselor. When his class graduated in 1956, Mr. Barnett became Vice-principal for four years. In 1960, Mr. Barnett was selected as the successor to Dr. Warburton, to become Principal of Grossmont High School.

What's so special about Special Education? It is special in that it's a program based on understanding, and the willingness to help others. The Special Education Department is a whole school in itself, serving the entire district, but located on the Grossmont campus.

The program provides for those students whose relative degree of deviation from the norm is so great that they cannot reasonably profit from regular classroom situations. Included in the program are pupils who are educably mentally retarded, educationally handicapped, culturally disadvantaged, or physically handicapped. Inside this school, the process of learning is carried on every day under the direction of Mr. Nicholas Mallek, Principal of the Special Education Department.

Hi. (How's that?) I don't really know what I'm supposed to say but here goes nothing. This year has been such a blast - so much better than last year and just WAIT until next year!! Remember Charlie? (Flutter!) (As if you could forget!) and Chuck? (Flutter!) Oh well, this has been such a blast. I don't know how we did it but we made it through Closet, Hoorsey, I guess. Anyway maybe we'll be in the same biology class. If so - watch out Mr. Cook!! Oh well since you'll sign FB. Love you people messing up your annual

Bye!
